Dear Sir:

We reviewed our records of purchases of Irvine Shade and Door, Inc's glass shower doors with towel bars. We found that we purchased one glass shower door with towel bar. This part was installed as a replacement part on a motorhome that the customer already owned.

We did not find where we installed any of the glass shower doors with towel bars prior to customer's taking possession of the RV.

If you have any questions or need further information, please contact me at 815-844-5000.

Thank you.
