Re: EQ08-015

Dear George Person,

We are in receipt of your letter pertaining to the recall on Irvine Shade and Door products. As your notification was sent to the wrong address we are just now receiving it. Please correct your records to reflect our correct address so we may reply in a timely manner in the future. Our correct address is:

Viking Recreational Vehicle
PO Box 549
Centreville MI 49032

In regards to the glass shower doors with towel bars from Irvine Shade and Door, Viking did not use this product. Viking does not use glass in our product line. Also Viking does not produce motor homes. As a result we have no product defect to report for EQ08-015.

Sincerely

Connie Burkett
Service Manager
