Dear Mr. Person:

Reference your letter addressed to "Featherlite RV" dated 24 December 2009 which was received by us on 2 January 2010, regarding a potential problem with certain glass shower doors that were produced by Irvine Shade and Door, Inc. (Irvine) that were the subject of the recalls by Keystone RV and Coachmen RV referenced above, Featherlite, Inc. provides the following information.

Featherlite, Inc. has made a detailed search of its purchasing records from May 1996 (the earliest purchase of any product from Irvine) through August 23, 2006 (the last purchase of record from Irvine) and has found that Featherlite, Inc. did not purchase any of Irvine's glass shower doors at any time.

We therefore respectfully advise that Irvine has provided incorrect information to you regarding its sales to Featherlite.

Should you have further inquiries I may be contacted via email at [nhelmke@fthr.com](mailto:nhelmke@fthr.com) or by phone at 563-547-6008.

Sincerely,

A handwritten signature in black ink, appearing to read "Norman L. Helmke".
