Dear Jason Hawk:

You were recently notified by NHTSA that certain shower door products purchased from Irvine Shade & Door, Inc. may have a risk of glass breakage due to towel bars supplied with some of the doors ISD has manufactured. NHSTA recall #'s 07V-411 and 08V-639 detail the nature of the potential problem.

We have determined through an examination of our sales records that Hawk Engineering Inc did not purchase this type of product or that the shower doors Titan/Logan Coach purchased were supplied without towel bars.

Thank you for your continued business.

Sincerely,

Nick Donis  
VP Irvine Shade & Door, Inc.
