This references you letter NVS-215aa; EQ08-015; 07V-411; 08V-639

This response covers our four retail locations at:

13940 Firestone Blvd
Santa Fe Springs, Ca. 90670

104880 Talbert Ave.
Fountain Valley, Ca. 92708

18240 Ward Street
Fountain Valley, Ca.

910 RV Center Dr.
Colton, Ca. 92324

Per our phone conversation, this is to inform you that MTRV has not modified any new coaches using the subject shower doors manufactured by Irvine Shade and Door, Inc. The only instance we would have installed/replaced these doors would have been a warranty replacement directed by Keystone RV Company. Keystone RV Company would have records of all such warranty replacements, if any.

We are not a Coachman Dealer.

If you have any questions, please feel free to give me a call.
