Safety Recall Notice **Airstream Classic Trailers**

Date:

TO: Airstream Dealer

SUBJECT: NHTSA Recall No. 10V-xxx
Transport Canada Recall No. 10-xxx

PROBLEM:

Airstream decided that a defect which relates to motor vehicle safety exists in certain Airstream Classic Travel Trailers manufactured between March 2005 and April 2009. It has been determined that these vehicles were manufactured with a faulty hydraulic brake controller manufactured by Active Technologies. The brake controller can fail unexpectedly causing the brakes on the trailer to lock up or to fail completely.

RANGE OF VEHICLES INVOLVED:

- 2005 – 2009 Airstream Classic Models

WARRANTY REIMBURSEMENT:

A notice of this recall has been sent to affected retail owners. A copy of the Owner's letter is included for your review. They may request that you complete the repair. If so, please follow the warranty reimbursement procedure. If the unit and/or units are in your inventory, or if you are requested to perform the repair for the retail customer, please complete the advised repair and send in a warranty claim referencing this recall number for reimbursement.

SERVICE ACTION:

Inspect and or replace the brake controller per Airstream Warranty Instructions

encl. – Owners Letter

Dave Schumann

Director of Service and Warranty Administration
