NHTSA Recall No. 10V-407

Safety Recall Notice ***Damon – Challenger & Intruder***

Dear Customer:

This **Safety Recall Notice** is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act and is important for your safety.

Reason for This Recall

Damon Corporation (Damon) decided that a defect which relates to motor vehicle safety exists in the Challenger and Intruder models of motor home.

Potentially all of the motorhomes subject to this recall campaign do not have the proper clearance between the rear suspension leaf spring and the vehicle LP fuel tank. As the suspension travels it is possible for the leaf spring shackle bolt to come in contact with the LP tank. This potentially could puncture the LP tank and result in a fire or explosion. In the event of a fire or explosion, there is a potential for property damage, personal injury or death.

What We Will Do

Damon will inspect to see if the proper clearance between the shackle bolt and the LP tank exists. If it is found there is not enough clearance, the tank will be relocated outboard in the motorhome to provide the proper clearance. In the event that the bolt and tank have come in contact, the LP tank will be replaced with a new tank and be properly installed in the motorhome. This defect will be corrected by Damon at no expense to you, the owner.

What You Should Do

You are to contact the nearest Damon dealer or repair facility to schedule an immediate installation of the heat shield.

If you have questions concerning this recall or if you need any assistance such as locating a Damon authorized dealer or repair facility, please contact the **Damon Warranty/Service Department** by mail at Damon International Inc., P.O. Box 1486, Elkhart, IN 46515-1486, or by phone at *877-855-2867*.

If you had appropriate repairs completed prior to receipt of this recall notice, and if you incurred any direct cost in connection with obtaining such repair, you may be eligible to receive reimbursement from Damon by contacting the **Damon Warranty/Service Department**.
