Re: Toyota Safety Recall 10V-160

Dear Ms. Lopez:

As indicated on the previously submitted schedule, the previously approved owner notification communicating the availability of a remedy for Safety Recall 10V-160 on ceratin 1998 - 2010 Sienna vehicles will be conducted in three phases.

Please find attached a representative softcopy version of the following:

Dealer Notification (remedy) – Phase 1  
Owner Notification Letter (remedy) Phase 1 and 2

A hard copy was submitted to your office previously, but going forward in-lieu of a hard copies Toyota will be submitting soft copies.

The owner notification for Phase 1 began on October 12, 2010. The attached owner letter is representative of Phase 1 and 2. Due to design differences in the vehicles covered by Phase 3, we will be submitting a separate owner letter for your review and approval prior to the launch of Phase 3.

The Dealer Notification for Phase 2 will be submitted shortly. We are slightly (approximately 10 days) behind schedule in the launch of Phase 2.

If you have any questions regarding this matter, please contact me at (310) 468-3392.

Sincerely,

George Morino  
National Manager, Quality Compliance
