Dear Mr. Pansa:

This is in acknowledgment of your Defect Information Report, in accordance with the defect reporting regulations, Part 573.

The Defect Information Report involves approximately 22,353 1959-1960 model Cadillacs that have steering pitman arms installed as original equipment which may experience failure. This information was furnished in your letter dated June 8, 1978.

The following National Highway Traffic Safety Administration identification number has been assigned to the campaign, 78V-135. The first quarterly status report for this campaign is required to be submitted by November 6, 1978.

Please refer to the above number in all future correspondence concerning this campaign.

Sincerely,
S/William H. Risteen
