Just wait until January 30, 2004 and submit the first quarterly report then. Thanks.

Hello Pat:

We mailed customer letters for both 03V-324 and 03V-325 campaigns on 9/12/03.

Do you need (1st) quarterly reports for these campaigns by the end of October, or due to the mid/late Sep mailing, would you like the first reports to start the following quarter?

Thanks.

Best regards/Martin
