SUBJECT: 6,749 Thor 1999-2003 Citation and Chateau manufactured August 25, 1999 through April 12, 2002 and 2002-2003 Skydeck travel trailers and fifth wheels manufactured from September 1, 2001 through April 12, 2002. These vehicles are equipped with Samsung microwave ovens. These units were produced with a defect membrane panel. An electrical short can occur between circuit patterns on the membrane panel, especially overlapped by a "Jumper" or jump wire. This may cause the oven to activate without pressing any keypads.
