FAX: (937) 295-3633

SUBJECT: 24,113 Dutchmen 2001-2003 Classic, Classic Laminate, Lito, Zephyr, and Breeze trailers manufactured from May 2000 through June 2002; 2004 Colorado trailers manufactured from July through October 2003; and 2001-2003 Aero and Skamper trailers manufactured from July 1999 through June 2002. These vehicles are equipped with Samsung microwave ovens. These units were produced with a defect membrane panel. An electrical short can occur between circuit patterns on the membrane panel, especially overlapped by a "Jumper" or jump wire. This may cause the oven to activate without pressing any keypads.
