**SUBJECT: Lotus- Recall No. 04V-001**

**Dear Ms. Wallace,**

**We have completed the mailing of 660 owner's letters as well as the dealer letters.**

**There is a precedent for NHTSA requiring only one quarterly report, instead of 6, when a recall involves, as here, a label that is actually enclosed in the recall letter to the owners. May we proceed in this fashion?**

**I look forward to your response.**

**Sincerely,**
