**SUBJECT: SAFETY RECALL INTERIM NOTICE (U.S., EXPORT)  
DiamondLife™ Hydraulic Brakes on certain Bus Models  
Built 4/1/1997 thru 12/31/2002**

International Truck and Engine Corporation has notified the National Highway Traffic Safety Administration of a safety defect that may involve certain bus models built from 4/1/1997 through 12/31/2002 with the Bosch DiamondLife™ Zero Offset Pin Slide hydraulic disc brake system.

This letter is to inform you that the owners of all hydraulic disc brake vehicles were notified that a Safety Recall has been issued. There is no action required from you or the owners at this time.

You and the owners will be notified again when the final population of vehicles has been determined and parts become available as to the proper actions to take.

We appreciate your patience and cooperation regarding this campaign and apologize for any inconvenience this may cause.
