ALLOCATION OF RECALL KIT 99999-0033

Recall Service Bulletin MC04-04 requires the use of Oil Filter Replacement Kit 99999-0033. To ensure that these kits are allocated for use on eligible units, KMC will begin shipping oil filter kits to dealers based on eligible vehicles released.

All existing dealer backorders for kits exceeding the number of eligible vehicles released will be cancelled.

If you have an eligible vehicle for which you have not received a filter kit, please contact Order Services at your servicing Distribution Center.
