Subject: Questions #12 and #13 from EA05-021

Hello Steve,

As agreed in our telephone conversation this morning and in response to questions #12 and #13 from EA05-021:

- Volvo will provide the documents in non-chronological order with our initial submission
- Volvo will provide the chronological summary with our initial submission
- Volvo will follow-up with the documents provided chronologically at a later date.

Thank you for your assistance in this matter.

Best regards,

Diana Lidgett
