Dear Eagle Eyes Automotive Lamp Purchaser:

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

Eagle Eyes Traffic Industrial Co., LTD. has decided that certain Original Equipment Replacement Headlamps fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108, "Lamps, Reflective Devices, and Associated Equipment." Some headlamps failed to meet NHTSA standards during photometric testing. Failure to meet NHTSA photometric standards will decrease lighting visibility and could cause a vehicle crash to occur.

The parts affected are FR208-B101R, FR208-B101L, FR208-B001R, and FR208-B001L. For this reason we ask that you arrange for our RMA department to resolve this issue without delay. The return of the identified parts will be handled free of charge.

On behalf of Eagle Eyes Traffic Industrial Co., LTD., Sabry Lee will honor all returns for the identified part numbers and issue a full credit to your account.

If you have any problem returning parts and obtaining the applicable credit, please contact your Sabry Lee Account Executive at 1-866-467-2279. An Account Executive will arrange for prompt attention to your return authorization.

If you believe that Sabry Lee has not provided you with a free remedy in a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 400 Seventh Street, SW., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We regret any inconvenience which this action may cause you. However, we are concerned about consumer safety and would like to resolve this issue immediately.

Thank you for your attention on this matter.
