Please refer to Service Campaign Bulletin SC-39 and TSB-Restraint TS 04 07277 for details and a list of affected vehicles in stock (as of 7-27-07) at dealers.

Please return any new and unused parts shown below that are in dealership inventory to Brea (1W) PDC with a Discrepancy Report for immediate credit. ASMC will reimburse current dealer net plus \$5.00 to cover return freight.
