**SAFETY RECALL!!**

**FRAM RACING HP4 and HP8 OIL FILTERS – Manufactured from May 25, 2006 through September 14, 2007**

**Date Code**

*Honeywell is recalling FRAM<sup>®</sup> Racing HP4 and HP8 oil Filters that were manufactured from May 25, 2006 through September 14, 2007. The affected filters are marked with a date code A61451 through A72571 sequentially. The date code and part number appear on the filter housing, as shown above. FRAM Racing HP4 and HP8 oil Filters not bearing a date code in this range are not affected by this recall.*

*The gasket of the oil filter becomes more pliable under high temperatures and pressures. This condition may cause inadequate sealing and loss of engine oil.*

*If you own the affected product, please return it to the retailer or installer from whom you purchased the filter for a refund.*
