27. Remove the No. 15 (40 A) fuse (EPS control unit) from the under-hood fuse/relay box.

28. With the transmission in neutral (M/T) or Park (CVT), and the clutch released (M/T), start the engine. Hold the engine speed at 3,500 rpm until the IMA battery level indicator shows at least 50 percent charge.
29. Turn off the engine, and reinstall the No. 15 fuse.

**Warranty Extension: Insight
Integrated Motor Assist Battery Module**

Dear Insight Owner:

This letter is to notify you of a warranty extension on your vehicle's integrated motor assist (IMA) battery module.

Warranty Extension Details

The integrated motor assist (IMA) system in your vehicle assists the gasoline engine for better acceleration. To ensure the IMA system remains in top condition, we are announcing a warranty extension for the IMA battery module. The IMA battery module is now covered for 10 years or 150,000 miles, whichever occurs first.

If the IMA indicator on your vehicle's instrument panel stays on while you are driving, take your vehicle to any Honda dealer for an inspection. If the dealer finds the problem to be the IMA battery module, they will replace it. Depending on your vehicle's year and model, the dealer will also replace one or two additional control modules in the IMA system. This work will be done *free of charge*. Please plan to leave your vehicle at the dealer for a day to allow them flexibility in scheduling.

What to do if you feel this notice is in error.

Our records show that you are the current owner or lessee of a 2000–04 Insight receiving this warranty extension. If this is not the case, or the name/address information is incorrect, please fill out and return the enclosed, postage-paid *Information Change Card*. We will then update our records.

If you paid to have a defective IMA battery module replaced sometime in the past, you may be eligible for reimbursement. Refer to the attached *Instructions for Reimbursement* for eligibility requirements and the reimbursement procedure.

If you have questions.

If you have questions about this notice, or need help contacting a Honda dealer, please call Honda Automobile Customer Service at (800) 999-1009.

Sincerely,

**American Honda Motor Co., Inc.
