Subject: RESPONSE TO NOTICE EQ08-010

Dear Alex,

I tried to call Thursday 07/10/08 and left a message. I will be out of the country starting Friday 07/11/8 for the next 10 day's but I wanted to respond to your request. I have pulled all information I have on the items listed in this recall and in your time frame we have ordered three (3) units all in April 2005. None of these units were installed in a unit. All three (3) were sent back to Dometic damaged on delivery. The customer requesting this replacement unit did not have the time to wait for a fourth unit to be shipped and installed. We don't and have not ever used these Dometic Refrigerators in any new unit conversion. This refrigerator had been ordered as a remodel replacement for a customer that we were remodeling their coach. As stated three (3) units were shipped to Texas Custom Coach and all three (3) were returned damaged. I will be happy to supply you any information you need as soon as I get back to USA.

Sincerely

David S. Miller
President
Texas Custom Coach
