Dear Mr. Ringstad:

We have completed a review of the safety recall quarterly reports applicable to the fourth quarter of 2012. According to our records, Qingqi Group Motorcycle Co., Ltd (ZAP) did not file a report for this reporting quarter in relation to safety recall 12V-363 and 12V-230 and it was obligated to do so. Please submit these reports immediately.

Please be reminded that this recall is subject to an administrative order requiring ZAP to repurchase each vehicle covered by these recall campaigns. Accordingly, and unlike any earlier quarterly reports ZAP may have supplied on these recalls, what needs to be reported are the vehicles that have been repurchased under each campaign.

If you believe that you sent in these reports, please provide a copy. If you believe that no reports are required, please explain the reason.

You may fax the report to Mrs. Kelly Schuler at 1-202-366-7882, or email her at Kelly.Schuler@dot.gov. If you have any questions concerning this matter, please contact Kelly at 1- 202-366-5227.

Sincerely,
