Dear Sir or Madam:

Pursuant to 49 CFR Part 573, Jayco, Inc. (“Jayco” or the “Company”) is submitting this report to NHTSA concerning a recall campaign, which is being voluntarily initiated. Specific information is as follows:

573.6(c)(2)

Affected vehicles are 2013 Jay Flight Bungalow, Jay Flight Destination, Jay Flight, and Eagle Travel Trailers and 2013 Eagle and Eagle Premier Fifth-wheels.

The affected vehicles were manufactured between January 24, 2013 and February 27, 2013.

The recall population was determined from the manufacturing records for the Company’s manufacturing plant in Middlebury, Indiana, which produced the affected recreational vehicles.

The load center involved in this recall is obtained from:

Progressive Dynamics
507 Industrial Road
Marshall, MI 49068
269.781.4241

Its country of origin is the United States.

573.6(c)(3)

A total of 66 vehicles are subject to this recall. Specific Vehicle Identification Numbers (VIN) are as follows:

Model year 2013 vehicles with a starting VIN of 1UJBJ0BP4D1DU0187 and ending with 1UJCJ0BV8D1LX0275.

573.6(c)(4)

Jayco is recalling 100 percent of the affected vehicles identified in the scope.

573.6(c)(5)

Jayco has determined, based upon information provided to us by Progressive Dynamics, the manufacturer of the load center, that certain vehicles have a load center installed in them which may be improperly assembled and could experience a short circuit.

573.6(c)(6)

The problem with the load center was identified by Progressive Dynamics and reported to us.

573.6(c)(8)

The remedy for the affected vehicles is to inspect the load center and make the appropriate modification to the load center to eliminate the possibility of an electrical short circuit.

Copies of the repair instructions, dealer notification letters, and owner letters will be provided to the agency within 10 business days. Jayco is contacting all dealers and retail owners of the affected vehicles. Upon notification Jayco is prepared to begin dealer notification within 5 business days after approval, and to owner's ten business days subsequent to dealer notification.
