

Declaration of Completed Repair

Reference: Bosch Master Cylinder RECALL - NHTSA Campaign Number: 13E011000/13E-026

To: Whom it may concern,

Upon completion of the repair per the enclosed instructions, return this completed sheet to Brake Parts Inc LLC. Completion of this sheet provides information necessary for reimbursement and affirms that the gray color master cylinder Fluid Level Indicator (FLI) switch has been replaced with a brown color FLI switch according to the instructions included with the switch. This document can be returned to Brake Parts Inc LLC via Mail, Email or Fax. The contact information is found at the bottom of the page.
