This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Wheeled Coach Industries, Inc. has decided that a defect, which relates to motor vehicle safety, exists in certain Dodge Sprinter 2500 Road Rescue ambulances that were built in the 2008 model year and originally sold to your organization.

Regarding Vehicles:	VIN	UNIT #
	WDOPE745085307561	5661

**Reason:** It has come to our attention that the possibility of a failure of the ambulance power disconnect solenoid utilized in the ambulance conversion portion of these ambulances. When the electrical power is interrupted due to the failure of this solenoid, the siren, warning lights, and patient compartment lights may not operate. The vehicle continues to operate, including drive ability, headlights, tail lights, brake lights, etc.

**Repairs:** Road Rescue Emergency Vehicles will replace the suspected solenoid, free of charge.

**Instructions:** Please take your vehicle to the nearest Wheeled Coach or Road Rescue Service Center for repairs.  
Should you need information on the nearest Wheeled Coach or Road Rescue Service Center please contact us at (800) 628-8178 between 8 AM and 5 PM Eastern Time, Monday through Friday.

**How Long To Repair:** This replacement procedure should take approximately 1 hour.
