

Safety Recall Campaign #R84002 / NHTSA Recall #13V-229

June 11th 2013

Dear CODA Owner,

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. CODA Automotive (CODA) has decided that a defect, which relates to motor vehicle safety, exists in certain model year 2012 CODA vehicles and has initiated a voluntary recall.

Our records indicate that your vehicle is included in the population of vehicles listed in the recall. CODA has determined that the roof-mounted side curtain airbag(s) on your vehicle may be defective and require replacement. In the event of a side impact that requires the deployment of a side curtain airbag, a defective side curtain airbag may not deploy as intended and thereby increase the risk of injury.

CODA service locations (identified below) will replace both side curtain airbags at no cost to you. The time required to replace the airbags will be approximately 2.4 hours. However, depending on your dealer's work schedule, the time required may vary.

IMPORTANT NOTE: If you purchased your vehicle prior to August 2012, you were notified last year of a different safety recall also addressing a safety defect in the side curtain airbag. If you had your vehicle serviced for that recall, you must still have it serviced for this safety recall. The inspection and repair procedure for that earlier recall does not address this safety defect covered by this safety recall notice. If you did not have your vehicle serviced for that recall, when you bring it in for this recall service, both recall campaigns will be addressed since we are now replacing the side curtain airbags on your vehicle.

With the announcement of this campaign, it does not change the fact that the new vehicle warranty of your CODA remains suspended. The dealer will replace both roof mounted airbags and any repairs that are a direct result of performing this campaign free of charge, but unrelated concerns are not covered by this safety recall. Please note there is no rental or courtesy transportation provided by CODA Automotive for this campaign.

Please contact your local service location at your earliest convenience to schedule an appointment for this inspection and mention Recall Campaign #R84002. Your dealer is prepared to answer any questions you may have regarding this recall.

There are four CODA Service locations, their address and contact information is available on www.codautomotive.com

2340 Fairfax Avenue, Los Angeles, CA 90016,
codautomotive.com

Registered Trademark of CODA Automotive, Inc., Los Angeles, California, USA

After contacting your service location if you are still not able to have the safety defect remedied without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590 or call 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires any lessor who receives a notification of a determination of a safety-related defect or noncompliance pertaining to any leased motor vehicle shall send the notice to the lessee within 10 days.

We apologize for any inconvenience this may cause.

Sincerely,

CODA
