Memorandum

Subject: Recall 13V-073 **Date:** June 7, 2013

From: Cynthia Glass *CJG*
General Engineer, RMD

To: Memo to File

On June 7, 2013, Steve Fettig of Tankcraft Corporation verified that the fuel tanks involved in the above-referenced recall campaign were only sold to Daimler Trucks North America (DTNA). These fuel tanks were designed by DTNA, exclusively for DTNA.

Accordingly, all product affected by the defect has been recalled and an Equipment Query investigation is not needed.
