SAFETY RECALL NOTICE

NHTSA 13V-334

Re: Dometic Product Recall
9100 Power Awning, WeatherPro Awning

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Safety Act.

Triple E Recreational Vehicles has decided that a defect which relates to motor vehicle safety exists in certain 2013 Regency GT models equipped with the Dometic awning listed above. These vehicles may have the motor assembly installed incorrectly and it is possible the awning can unfurl unexpectedly, either while the vehicle is at rest or in transit, increasing the risk of personal injury.

Please contact your nearest Dometic service repair centre to have the awning on your motorhome inspected and repaired as necessary as per the Dometic Recall. This Safety Recall will be performed at no charge to you.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

For U.S. Residents

If you are still having trouble getting your vehicle repaired in a reasonable time or without charge, you may write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. SE, Washington, DC 20590 or call the toll free Vehicle Safety Hotline at 1-888-327-4236; (TTY: 1-800-424-9153) or go to <http://www.safercar.gov>

Sincerely,
