RE: Safety Recall EQ 13-004

Mrs. Glass:

In response to the information request for EQ 13-004, the WeatherPro motor powered awning that Sundowner Trailers, Inc. purchased from Dometic Corporation was **not** installed on a unit. We received notice from Dometic prior to installation and returned said product to Dometic Corporation.

If you need further information please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin Walker". The signature is fluid and cursive, written over a light background.
