RE: Dometic Corporation Safety Recall 13E-004  
Identification Number EQ13-004

Dear Ms. Glass:

Pursuant to your telephone conversation on Friday, August 16, 2013 with my assistant, Brandi Klepfer, please accept this as TexTrail, Inc. d/b/a TexTrail Trailer Parts' ("TexTrail") response to your correspondence of July 29, 2013, regarding EQ13-004.

Please note that TexTrail is a retail/wholesale seller of trailer parts and components and not a manufacturer.

Your correspondence makes note of "two (2) motor powered awning(s) and awning motor service kit(s)". Please be advised that TexTrail sold those units to Broward Trailer & Equipment, 7852 BW 74<sup>th</sup> Street, Miami, Florida 33166. Broward Trailer has been notified of Dometic Corporation's recall.

TexTrail will not implement a recall on this issue.

Sincerely,
