Re: Recall No. 13V-370 Supplemental Information

Dear Mr. Smith:

Kawasaki Motors Corp., U.S.A. ("KMC") hereby provides additional information needed to fully comply with the reporting requirements of 49CFR 573.5 (c). This correspondence supplements the previous Defect Report dated August 16, 2013.

- 3) The total number of vehicles potentially containing the defect: The number has been adjusted to 57.
  
- 8) A description of the manufacturer's program for remedying the defect. The estimated date on which it will begin sending notifications to owners that there is a safety-related defect: Kawasaki will send an initial notification letter to all known law enforcement agency purchasers of the additional 57 police motorcycles. The letters will begin mailing on September 9, 2013. The initial recall notification letter will advise the agencies to charge both the main battery and the auxiliary battery every night. The agencies will also be provided operational information which will assist in eliminating the problem of electrical failure. The initial dealer bulletin will be mailed to dealers on September 5, 2013 and contain the information that was provided to the police agencies with additional information regarding the inspection of the wiring in the area around the batteries and fuel tank.
  
- 9) A representative copy of all notices, bulletins and other communications that relate directly to the defect or noncompliance: The information will be provided to NHTSA when available.

Please contact the undersigned if there are any questions regarding information in this submission, or if additional information is required.

Sincerely,  
KAWASAKI MOTORS CORP., U.S.A.
