**IMPORTANT NON COMPLIANCE RECALL
13512**

OCTOBER 2013

Dear IC Bus Customer,

This notice applies to your vehicle identified on the enclosed card and is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

IC Bus has decided that certain AE, BE, CE, and RE model buses built 11 February 2010 thru 17 June 2013 may fail to conform to Federal Motor Vehicle Safety Standard 222

REASON FOR THIS RECALL

The lower outside corners of the seat back may not have sufficient padding to conform to all requirements of FMVSS 222.

RISK TO MOTOR VEHICLE SAFETY

In the event of a crash, the seat padding may not properly protect against knee impact force, increasing the risk of injury.

DEFECT REMEDY

The repair will involve installation of polystyrene blocks in the lower outside corners of each seat. Dealers have parts and instructions to repair your vehicle. The repair will be performed free of charge and take approximately 0.5 to 1.5 hours to complete.
