IMPORTANT SAFETY RECALL 13514

OCTOBER 2013

Dear INTERNATIONAL® Customer,

This notice applies to your vehicle identified on the enclosed card and is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Navistar has decided that a defect which relates to motor vehicle safety exists in certain LoneStar®, ProStar®, and TranStar® model trucks built 20 February 2008 thru 29 July 2013 with feature code 0595BAW or 0595BAY.

REASON FOR THIS RECALL

On vehicles with the electronic fifth wheel jaw release system, the air lines at the isolation/vent valve may not be oriented correctly to the valve ports at the time of assembly. This condition does not affect normal operation or a primary failure of the air line, but should a secondary failure occur such as a major leak at the isolation/vent valve, it may be possible for the 5th wheel jaw to release without driver input.

RISK TO MOTOR VEHICLE SAFETY

If the 5th wheel jaw releases without driver input, the trailer could release from the 5th wheel increasing the risk of an accident or vehicle crash.

DEFECT REMEDY

The repair will involve inspection for correct air line routing and correcting all potentially misrouted air lines. Dealers have instructions to repair your vehicle. The repair will be performed free of charge and take approximately 30 minutes to complete.

ACTIONS YOU SHOULD TAKE

If you own this vehicle, please schedule an appointment with any INTERNATIONAL® dealer to have your vehicle

repaired. You can find your nearest dealer by calling 1-800-448-7825 or by using the dealer locator at <http://www.internationaltrucks.com>.

If you have already paid for repairs that corrected the defect, you may be eligible for reimbursement of certain repair expenses. Present your original repair paperwork and proof of payment to any INTERNATIONAL® dealer and your eligibility will be reviewed. You may also submit a claim using the enclosed Request for Reimbursement card.

If you are the lessor of this vehicle, please forward a copy of this notice to the lessee within ten days to comply with federal regulations.

If you do not own this vehicle, please fill out and return mail the enclosed card so that you will not be contacted again about this recall.

IF YOU NEED FURTHER ASSISTANCE

If you believe that Navistar has failed to remedy the defect without charge or within a reasonable time, please follow the procedure described in the Owner Assistance Guide section in your Owner's Manual or call toll free 1-800-448-7825.

You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave, SE, Washington, DC 20590; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Navistar requests your prompt attention and patience regarding the correction of this defect and apologizes for any inconvenience this may cause you.
