IMPORTANT SAFETY RECALL REMINDER

Ford Motor Company would like to remind you that your 2010 Ranger needs to have the following no charge recall(s) completed.

You received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner.

Recall Number 11C18 - Multifunction Switch Inspection and Replacement and Description:

What is the Issue?

On your vehicle, under certain conditions, the multifunction switch may become inoperative and result in any combination of the following conditions, which may increase the risk of a crash:

- loss of turn signal lights
- loss of brake lights
- loss of tail lights
- loss of hazard lights

NOTE: In all cases, center high mount stop lamp is operational.

What Are We Asking You To Do?

Please contact your dealer to schedule an appointment to have this important service procedure completed. If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps and driving instructions.

The vehicle owner is responsible for having this service action performed. Ford Motor Company reserves the right to deny coverage for any vehicle damage that may result from failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.
