**Attention: Recall Management Division (NVS-215), 1200 New Jersey Avenue SE,
Washington D.C. 20590**

Dear Madam or Sir:

This letter is being submitted as the Quarterly Report for the above-referenced recall.

- The notification campaign number assigned by NHTSA- 13 E 013**
- The date notification began and the date completed-**Notification began on February 21, 2013, and notification was completed on that same date.
- The number of items of equipment involved in the notification campaign-**
1,909
- The number of equipment items which have been inspected and repaired and the number of equipment items inspected and determined not to need repair (cumulative total)-**

Units inspected and repaired or replaced-	212
Units inspected and determined not to need repair-	<u>1,070</u>
Total units inspected-	1,282

- The items of equipment determined to be unreachable for inspection due to export, theft, scrapping, failure to receive notification, or other reasons (specify). The number of items of equipment in each category shall be specified (cumulative total)-** Of the total number of units sold, 12 were to distributors. All of these units have been inspected and were within specification guidelines or were replaced and are included in the figures set forth in paragraph 4. The remaining 627 uninspected units were sold to 7 original equipment manufacturers (“OEMs”) and Progressive Dynamics, Inc. does not have access to these companies’ customer lists. Progressive Dynamics, Inc. has, however, continued to contact these OEMs requesting updated information.

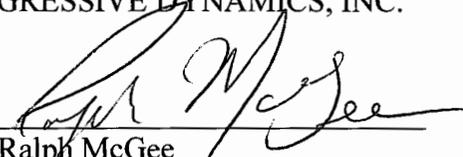

6. **In reports by equipment manufacturers, the number of items of equipment repaired and/or returned by dealers, other retailers, and distributors to the manufacturer prior to their first sale to the public-** Units sold to distributors, 12, were all replaced before the first sale to the public. The only other measure Progressive Dynamics, Inc. has as to units returned after first sale to the public is the number of units returned to our service department by members of the public. A total of 7 units have been so returned to the service department for replacement.

In the event any additional information is required please contact the undersigned.

Respectfully submitted

PROGRESSIVE DYNAMICS, INC.
