IMPORTANT SAFETY RECALL

Subject: IMMI Seat Belt Buckles

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler Trucks North America LLC, on behalf of its Freightliner Trucks Division and its wholly owned subsidiary Thomas Built Buses, has decided that a non-compliance with Federal regulations exists on specific Freightliner 108SD, 114SD, 122SD, Argosy, Business Class M2, Cascadia, Columbia, and Coronado vehicles; Western Star 4700, 4900, and 6900 vehicles; and Thomas Built Buses Saf-T-Liner C2 and HDX and Minotour vehicles with certain Indiana Mills and Manufacturing, Inc. (IMMI) seat belt assemblies.

Certain Indiana Mills and Manufacturing, Inc. (IMMI) seat belt assemblies equipped with L9 buckles may not satisfy the requirements of S4.3(g) of FMVSS 209/CMVSS 209, Seat Belt Assemblies. When the push button on the buckle is pressed to release the latch plate for egress, the latch plate can become partially engaged with the buckle. In the event of an accident or emergency, occupants may be unable to exit the vehicle immediately and an injury could occur.

Seat belt assemblies will be inspected and replacement buckles will be installed as required.

Please contact an authorized Daimler Trucks North America dealer to arrange to have the recall performed. **IMPORTANT: Parts are currently being manufactured, please contact a dealer in advance to ensure that parts are available.** To locate an authorized dealer, search online at www.Daimler-TrucksNorthAmerica.com. The Recall may take up to several hours on buses and up to an hour on all other vehicles, depending on the number and type of buckles requiring replacement, and will be performed at no charge to you.

You may be liable for any progressive damage that results from your failure to complete the Recall within a reasonable time after receiving notification.

If you do not own the vehicle that corresponds to the identification number(s) which appears on the Recall Notification, please return the notification to the Warranty Campaigns Department with any information you can furnish that will assist us in locating the present owner. If you have leased this vehicle, Federal law requires that you forward this notice to the lessee within 10 days. If you are a subsequent stage manufacturer, Federal law requires that you forward this notice to your distributors and retail outlets within five working days. If you have paid to have this recall condition corrected prior to this notice, you may be eligible to receive reimbursement. Please see the reverse side of this notice for details.

If you have questions about this Recall, please contact the Warranty Campaigns Department at (800) 547-0712, 7:00 a.m. to 4:00 p.m. Pacific Time, Monday through Friday, e-mail address DTNA.Warranty.Campaigns@Daimler.com, or the Customer Assistance Center at (800) 385-4357 after normal business hours.
