Dear Peterbilt Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Peterbilt Motors Company has decided that certain vehicles manufactured between April 3, 2003 and October 25, 2013 with three driven axles and non-driven tag or pusher axles fail to comply with requirements of 49 C.F.R. Part 567, Certification. Our records indicate that your vehicle, identified by the VIN at the top of this letter, was manufactured within this time period and may contain the defect described herein.

Affected vehicles may be missing required tag or pusher axle GAWR, suitable tire and rim information, and recommended tire pressure information from the certification label. As a result, the axles could be inadvertently overloaded, increasing the risk of a crash.

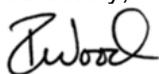

<i>The problem is...</i>	Missing information on door label
<i>What your dealer will do...</i>	Inspect and replace the certification labels where necessary
<i>What you must do ...</i>	Contact your dealer immediately to schedule an appointment

Peterbilt has initiated a recall to inspect and replace the label as necessary. Please contact your Peterbilt dealer immediately to schedule an appointment for this repair. To find your nearest Peterbilt dealer, please visit Dealer Locator at www.Peterbilt.com. This repair should take less than one-half hour, and will be performed at no charge to you.

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. If you require further information about this recall, reimbursement of a pre-notification remedy associated with this recall or experience any difficulty in making arrangements for this repair, please contact: Peterbilt Motors Company, 1700 Woodbrook Street, Denton, TX 76205, Attn: Quality Services Department, phone 940-591-4220. If you conclude that Peterbilt Motors Company has not enabled you to remedy this defect in reasonable time and without charge, you may submit a complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590, or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>. Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you no longer own this vehicle, we would appreciate your advising us of the new owner if you know their name. The enclosed card may be used for this purpose.

We regret any inconvenience that this work may cause you and appreciate your cooperation in this matter.

Sincerely,

Rick Wood
Director Quality Services
