

Acura Recall Voice Alert to Customer

NHTSA ID: 10V-041 and 11V-260

Date: April 25, 2014

Acura recently mailed a safety recall notice to you regarding your vehicle's driver's airbag. This notice may have been sent to you in error, as our records indicate that your vehicle has already had the recall repair completed. Please confirm whether any open recalls exist on your Acura vehicle or vehicles by visiting www.recalls.acura.com. If any open recalls exist, please make an appointment at any authorized Acura dealer as soon as possible. If you need help finding a dealer in your area, please call 1-800-382-2238, and select option 4. We at Acura apologize for any inconvenience that this error may have caused you.
