SAFETY RECALL NOTICE

EXTRA SMALL AND SMALL SIZE STREET & STEEL BIG BORE MOTORCYCLE HALF-HELMET - RECALL NOTICE

Dear Valued Customer:

Subject: SECOND NOTICE -- Recall of EXTRA SMALL and SMALL Size Street & Steel® Big Bore Motorcycle Half-Helmets Manufactured in December 2012

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

In September 2013, Cycle Gear, Inc. advised customers that it is voluntarily recalling Extra Small and Small size Street & Steel® Big Bore model motorcycle half-helmets manufactured in December 2012. You are receiving this second recall notice because Cycle Gear's records indicate that you purchased an affected helmet and it has not been returned to Cycle Gear. Please read this notice in its entirety and follow the instructions below to obtain a replacement helmet, credit, or refund, and a \$25 Cycle Gear gift card.

REASON FOR THIS VOLUNTARY RECALL

Cycle Gear, Inc. has determined that certain Extra Small and Small size Street & Steel® Big Bore motorcycle half-helmets manufactured in December 2012 may not comply with the impact attenuation requirements of Federal Motor Vehicle Safety Standard 218, "Motorcycle Helmets." In the event of a crash, the wearer may not be adequately protected, possibly resulting in injury. Therefore, Cycle Gear has decided to voluntarily recall all Extra Small and Small size Street & Steel® Big Bore motorcycle half-helmets manufactured in December 2012.

WHAT CYCLE GEAR WILL DO

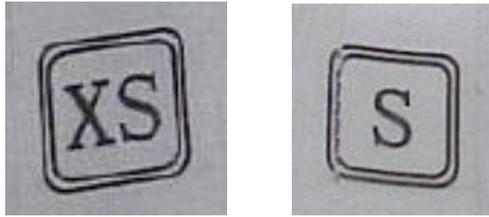

Cycle Gear will provide the owner of any affected helmet with:

1. A replacement helmet of any model up to \$189.99 in retail value;
-OR-
A credit of \$189.99 towards purchase of another helmet of higher value;
-OR-
A full refund of the original purchase amount up to \$99.99 plus applicable tax.
2. In addition, owners will receive a \$25 Cycle Gear gift card towards a future purchase.

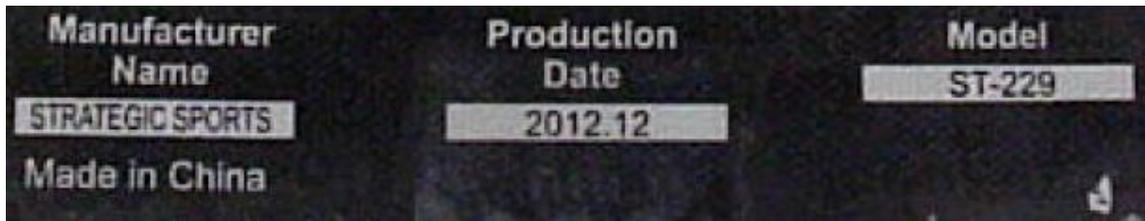

WHAT HELMET OWNERS SHOULD DO

First, you should ensure that your helmet is subject to this recall campaign, by looking inside the helmet and confirming the following:

1. The size label indicates size “XS” or “S”, as depicted below; and

2. The warning label indicates the helmet model is “ST-229” and the production date is “2012.12,” as depicted below.

If your helmet meets both criteria, you should return it to any Cycle Gear location. Alternatively, you may obtain a pre-paid UPS label for shipment of the helmet to Cycle Gear by calling 1-800-292-5343 or emailing customerservice@cyclegear.com. Upon receipt of the returned helmet, Cycle Gear will provide the owner of any affected helmet with a replacement helmet, a credit, or a refund as outlined above, and a \$25 Cycle Gear gift card. Please contact 1-800-292-5343 Monday through Friday, 6:00am through 6:00pm (PST) for helmet return instructions or any additional questions.

If you have any problems obtaining a replacement helmet from Cycle Gear, you can contact NHTSA at the address below:
