IMPORTANT SAFETY RECALL #140615ARG
THIS NOTICE APPLIES TO YOUR VEHICLE

July 2014

Dear Valued American Coach Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Allied Recreation Group, Inc. ("ARG"), on behalf of its manufacturing center located in Decatur, Indiana, has decided that certain model year 2015 American Eagle, American Revolution, and American Tradition brand Class A motor homes fail to conform to the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 209, "Seat Belt Assemblies".

WHAT IS THE PROBLEM?

Motor homes affected by this recall may be equipped with certain Villa International brand powered driver and passenger seats, with integrated seat belt assemblies which are potentially noncompliant with the requirements of FMVSS No. 209.

The seat belt bracket ends attached to the seat frame single link of certain Villa brand powered driver and passenger seats may be improperly installed. This condition could compromise the seat belt over a period of time resulting in a seat belt failure in the event of a vehicular crash, increasing the risk of injury.

WHAT SHOULD YOU DO?

Please make certain your motor home is immediately inspected and repaired by contacting an authorized ARG dealer.

WHAT WILL ALLIED RECREATION GROUP DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, ARG dealers have been supplied with all of the information needed to enable them to inspect the seat belt assembly and if necessary, repair the seat belt attachment assembly using the proper fasteners and sequence of fasteners. The inspection and any necessary repairs should take less than two hours to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge. If you have paid to have this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information, please contact Coach Owner Relations at (800) 435-7345.

When you deliver your motor home for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle Information Card** and return it to Allied Recreation Group.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle Information Update Card** and return it to Allied Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.
