Dear Ms. Lewis:

This letter follows our June 19, 2014 letter to Frank Borris concerning the regional field action Nissan would be undertaking on certain Nissan and Infiniti vehicles equipped with specific Takata passenger air bag inflators manufactured between January 1, 2003 and July 31, 2004.

We are pleased to inform you that Nissan has already begun to implement the field action. However, we are still in the process of identifying potentially affected Nissan Sentra and Infiniti M35/45 vehicles and expect to receive the necessary information from R.L. Polk soon. We will update you once again as soon as we have completed the vehicle identification process. The current list of potentially affected vehicles is immediately below.

Model	Number of Vehicles
MY 2003-2004 Nissan Pathfinder	3,563
MY 2004-2006 Nissan Sentra	TBD
MY 2003-2005 Infiniti FX35/FX45	6,203
MY 2003-2004 Infiniti I35	1,780

Very truly,
