Re: **FUEL PUMP SAFETY RECALL: NHTSA CAMPAIGN NUMBER:** _____

THIS NOTICE IS SENT TO YOU IN ACCORDANCE WITH THE REQUIREMENTS OF THE NATIONAL TRAFFIC AND MOTOR VEHICLE SAFETY ACT. Airtex Products, LP has determined that a defect which relates to motor vehicle safety exists in certain E84070 Universal Electrical Fuel Pumps. Specifically, fuel pumps purchased from Airtex between December 11, 2013 and June 20, 2014. You are receiving this notice because records show that you may have recently installed a fuel pump that is subject to this Recall. We also request that you assist us in the recall as described below.

We ask that you provide us the contact information (name, and if available, phone, address and email) of all customers that had an E84070 Fuel Pump installed between December 11, 2013 and June 20, 2014. Airtex will contact your customer to arrange for inspection and possible replacement with conforming pumps.

PLEASE REVIEW AND FOLLOW THE PROCEDURES LISTED IN SECTION C AND D TO ENSURE THAT CLAIMS ARE PROPERLY ADMINISTERED AND TO ENSURE MINIMAL INCONVENIENCE FOR YOU AND YOUR CUSTOMERS.

A. Background on Safety Issue: Seals around electrical connectors on certain pumps shipped between December 11, 2013 and June 20, 2014 were not manufactured correctly. If the pump does not properly seal, fuel may escape, increasing the risk of a fire.

B. Remedy: Airtex will reimburse your reasonable time at your usual and customary rate for replacing the Fuel Pump. Airtex will also provide a replacement pump free of charge.

C. Procedure for Reporting Customer Information. Please call the Airtex Customer Service Department at **1-800-880-3056** to provide customer contact information of any consumer who had an E84070 Fuel Pump installed between December 11, 2013 and June 20, 2014. The customer Service Department is staffed between 7:30 a.m. and 4:30 p.m., central, Monday through Friday.

D. Procedure for Replacement of E84070 Fuel Pumps. If you are contacted by a customer about replacement of an E84070 Fuel Pump, please call the Airtex Customer Service Department at **1-800-880-3056** to set up a claim number, obtain claim forms and to ensure that a no-charge

replacement unit is available for immediate installation. You will be provided a pre-paid shipping package to return the defective pump and your claim forms to Airtex.

E. Questions or Complaints: If you have any questions concerning this safety recall, please contact us by calling Customer Service at **1-800-880-3056**.

If you believe that Airtex has failed or is unable to remedy the defect without charge within sixty days of your tender, you may submit a complaint related to this Notice to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590. Alternatively, owners may file a complaint by calling the toll-free Vehicle Safety Hotline at 1-888-327-4235 (TTY: 1-800-424-9153) or go to <http://www.safercar.gov>.
