Subject: Suspension Pivot Bolt Failure

Dear Mr. Dahl:

This letter serves to acknowledge Wilson Trailer Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

WILSON/GRAIN TRAILER/2014-2015
WILSON/LIVESTOCK TRAILER/2014-2015

Mfr's Report Date: July 23, 2014

NHTSA Campaign Number: 14V-492

Components:

SUSPENSION

Potential Number of Units Affected: 536

Problem Description:

Wilson Trailer Company (Wilson) is recalling certain model year 2014-2015 Grain and Livestock trailers manufactured October 8, 2013, to July 18, 2014, and equipped with certain SAF-Holland-brand CBX Trailer Suspension Air Ride Axle Systems. The affected trailer suspensions have pivot bolts that may fail.

Consequence:

Failure of the pivot bolts may cause the suspension and attached axle to separate from the trailer, increasing the risk of a crash.

Remedy:

Wilson will notify owners, and dealers or authorized repair facilities will replace the pivot bolts, free of charge. The recall will begin in September 2014. Owners may contact Wilson customer service at 1-800-798-2002. Wilson's number for this recall is 926P.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Wilson's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
