Cincinnati Ohio 45215

DATE: 08/01/14

**Owner Notification Recall Number 14V-479**

Dear Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Kaffenbarger Truck Equipment Co. and Muncie Power Products has decided that a defect which relates to motor vehicle safety exists in certain FR67 PTO on Ford Super duty Chassis with 6.8L Gas engine

Our records indicate that you either are or were the owner of one of the following trucks on which we installed a potentially affected part.

POTENTIALLY AFFECTED VEHICLES:

**2013 Ford F 550 chassis # DEB90712 Dump truck**

We suggest that you verify your vehicle's VIN, converter part number and date of manufacture against the above list to determine which truck(s) in your possession might be affected by this recall.

REMEDY:

You should immediately read this Notice and determine whether or not your truck is affected by this recall. If you determine that it is, Muncie Power Products will provide a replacement kit free of charge. To initiate this replacement process, contact Jessie Grigsby at (937) 845-3804. When you call, you will be asked for your vehicle's VIN, If you had this repair performed before you received this letter, you may be eligible to receive reimbursement. For more information contact Jessie Grigsby at (937) 845-3804.

***Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.***

We regret any inconvenience that this action may cause you. However, we are concerned about your safety. If you believe that we have failed or are unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236; (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>."

Sincerely,

Jessie Grigsby
