

## IMPORTANT SAFETY RECALL

54 / NHTSA 14V-487

This notice applies to your vehicle (VIN: **ZFFXXXXXXXXXXXXXXXXXX**).

Dear [Mr. John Doe],

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Ferrari has decided that certain **Model Year 2010 to 2014 Ferrari 458 Italia and 458 Spider vehicles** fail to conform to Federal Motor Vehicle Safety Standard No. 401, Interior Trunk Release. We want to assure you that your safety is our priority, and we are committed to correcting this condition in your vehicle.

Your vehicle has a front trunk release mechanism that is installed to permit a child trapped inside the trunk to open the hood of the trunk to escape. Ferrari has determined that, when the vehicle is stationary, the release mechanism on your vehicle will open the primary latch enough to allow air into the trunk, but not the secondary latch, which is needed to permit a child to escape from the trunk. This condition fails to conform to the requirements of the federal safety standard creating the risk that a child trapped in the front trunk of the vehicle could not escape.

Ferrari will repair your vehicle free of charge to modify the existing front trunk latch mechanism with a component so that it complies with FMVSS No. 401. Please contact your Ferrari dealer and make an appointment to have this repair performed. The time needed for this repair is estimated to be 1.25 hours; however, your dealer may need to keep your vehicle for a longer period of time due to scheduling needs at the dealership.

If you have any questions or concerns which your dealer is unable to resolve, please contact Ferrari North America, Inc. at 201-816-2600.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle.

If you have already experienced this condition and have paid to have it repaired, please send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Ferrari North America, Inc., 250 Sylvan Ave., Englewood Cliffs, NJ 07632 Attention: Warranty Department. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days.
