NHTSA Recall 14V-563

## IMPORTANT SAFETY RECALL NOTICE

Dear Honda Fit Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

### What is the reason for this notice?

Honda has decided that a defect which relates to motor vehicle safety exists in certain 2015 model year Fit vehicles. There is a possibility that an incorrect A-pillar interior cover was installed on your vehicle during assembly. An incorrect interior cover could alter the performance of the side curtain airbag during deployment, potentially increasing the risk of injury during a crash.

### What should you do?

Call any authorized Honda dealer and make an appointment to have your vehicle's A-pillar interior cover inspected, and if necessary replaced, **at no cost to you**. The complete process may take approximately 24 minutes; however, your vehicle may need to be at the dealer for a longer period of time. We recommend that you plan to leave your vehicle for at least half a day to allow the dealer flexibility in scheduling.

### Who to contact if you experience problems?

If you are not satisfied with the service you receive from your Honda dealer, you may write to:

American Honda Motor Co., Inc.

Administrator  
National Highway Traffic Safety Administration
