Subject: NHTSA Campaign Number: 14V-507

To Whom It May Concern:

Please let this serve as an amendment to the previously submitted 49 CFR 573.6 that was voluntarily supplied to NHTSA on August 18, 2014.

A thorough search of Jerr-Dan records identified a total of 76 affected vehicles instead of the up to 215 vehicles that were originally reported on August 18, 2014. The original number of 215 was the total reported to Jerr-Dan by Muncie Power Products.

Sincerely,

Jerr-Dan Corporation
