

IMPORTANT SAFETY RECALL

Dear Distributor,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Safety Act.

REASON FOR THIS RECALL

Vanair Manufacturing Inc. has determined that a defect which relates to motor vehicle safety exists in certain Ford Super Duty Chassis with 6.8L gas engines equipped Muncie PTO gear box Model FR67 manufactured by Muncie from June 2009 to June 2013. Our records show that you purchased this Muncie PTO from Vanair for use on an underdeck air compressor and/or generator system installed on the above chassis. See enclosed form for a record of the air systems purchased with this defect.

A potential safety defect exists in which over time oil leaking from the PTO pressure switch onto a thermal blanket which covers the vehicles exhaust may cause a fire.

REMEDY

Per the attached Muncie letter dated February 26, 2014, the PTO is to be inspected and if it falls within this recall, a retrofit kit is available at no cost to you. Please see attached letter from Muncie for more details on the remedy for this defect.

WHAT YOU SHOULD DO

Please contact your customers or vehicle owners who have purchased this Muncie PTO informing them of the situation and the no charge remedy offered by Muncie. Inform the Owner that: If after attempting to have their PTO repaired they believe they may not have been able to have their PTO remedied without charge and within a reasonable amount of time, they may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, D.C., 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

If you have leased this equipment to another person or company, you are required by Federal Law to forward a copy of this notice to the lessee by first class mail within ten (10) days of receipt of this notice.

We regret this inconvenience which this action may cause you; however, we have taken this action in the interest of your customers safety. If you have any questions please Greg Kokot at Vanair at 800-526-8817.
