Memorandum

Subject: Recall 14V-526 **Date:** October 31, 2014

From: Cynthia Glass *CG*
General Engineer, RMD

To: Memo to File

On October 30, 2014, Jerry L. Johnson, Vice-President and Deputy General Counsel for Robert Bosch LLC verified that the coolant pumps involved in the above-referenced recall campaign were custom-designed specifically for Ford Motor Company. These coolant pumps were not sold to any other vehicle manufacturers.

Accordingly, all product affected by the defect has been recalled and an Equipment Query investigation is not needed.
