Subject: Slide Room may Extend While Vehicle is in Motion

Dear Ms. Tobias:

This letter serves to acknowledge Highland Ridge RV's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

HIGHLAND RIDGE/3X/2015-2016
HIGHLAND RIDGE/JOURNEYER/2015-2016
HIGHLAND RIDGE/LIGHT/2015-2016
HIGHLAND RIDGE/MESA RIDGE/2015-2016
HIGHLAND RIDGE/ROAMER/2015-2016

Mfr's Report Date: April 7, 2015

NHTSA Campaign Number: 15V-209

Components:

EQUIPMENT:RECREATIONAL VEHICLE

Potential Number of Units Affected: 238

Problem Description:

Highland Ridge RV (Highland) is recalling certain model year 2015-2016 Roamer, Mesa Ridge, Light, 3X, and Journeyer travel and fifth wheel trailers manufactured March 6, 2015, to March 26, 2015. In the affected vehicles, the screws that attach the expanding room to the sliding mechanism cable may fail allowing the room to extend unintentionally while the vehicle is in motion.

Consequence:

If the room extends while vehicle is in motion, there is an increased risk of a crash.

Remedy:

Highland will notify owners, and dealers will replace the slide room mechanism attaching screws, free of charge. The recall is expected to begin April 27, 2015. Owners may contact Highland customer service at 1-260-768-7771.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

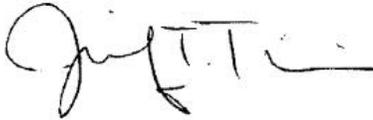

As required in Part 573.6(c)(6), please amend your provided chronology to include the dates of all of the principal events that were the basis for the determination that the defect relating to motor vehicle safety existed.

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
